Transfer Your Auto Loan to FLHC

Frequently members of FLHC tell us that when they've bought a new or used car that the dealer rushed them through with dealer financing when they would have preferred to finance at FLHC. We fully understand that dealers can be very persistent.

Rest assured that we welcome members to transfer their loans to the credit union. We make it very easy and in most cases can save you money! Our rates are very competitive, our biweekly payments are low. Presently we're offering no payments and 0% interest for the first 90 days! Think of what you can do with the extra money for those three months!

FLHC is pleased to announce an affiliation with CUC Mortgage, the Northeast's premier credit union mortgage processor. Along with FLHC, CUC Mortgage's representatives will work one on one with the FLHC applicant through all phases of the mortgage process.
